

February 2019 Newsletter Update

A message from our President

Possible inconvenience on Courts 1 & 2:

D & A Lighting will be, over the next month, working on the installation of lights on courts 1 & 2. The work will commence on Monday morning 11th February and dependant on weather conditions will take 3/4 weeks to complete.

When the contractors are not at the courts any Post holes will be covered by boards which will allow members to play with care on the courts.

The committee however would strongly suggest that courts one and two only be used under parents' supervision and as a last resort if all other courts are being occupied. We would also remind members that Doubles play always takes preference over Singles when the courts are busy.

We thank you for your understanding and if any members have concerns with the courts over this period please contact myself or any committee member.
Gerald More 0488 626 973.

Please please please:

SHUT THE GATES when ENTERING or LEAVING the club.
The gates have been left open lately and non-members have been entering and using the courts. We have received complaints about a group of four inappropriately dressed using bad language on the courts.

Shutting the gates when you ENTER and LEAVE will help to alleviate this situation.

AGM Reminder:

Saturday, 23rd March 2019 at 5.30pm
At the Wheelers Hill Tennis Club
If you are interested, come and join the committee and help to keep our vibrant club running smoothly
Everyone welcome.
