Annual General Meeting Edition - May 2019

## President's Report

Our Annual General Meeting was held on 23<sup>rd</sup> March 2019. This is my report from the

meeting.

A warm welcome to all new members who have joined the club over the last financial year.

The 2018/2019 year has been a very busy and successful year for the Wheelers Hill Tennis Club.

After two years of fighting with Ausnet Services to allow the club to install lights on courts 1 & 2 and applying to Monash Council for a grant, all the hard work and many hours of meetings has come to fruition with the handover to the club, happening the week of our AGM. I would like to thank the committee members involved and also Mark Collins (Court Technology). We now have LED lights on all six courts and we received financial support from Monash Council (\$55,890) and the State Government (\$10,000). The new LED lighting works on only 40% of the previous power usage which is a great saving to the club.

In October 2018, the tennis club conducted an Open Day with great support from our major sponsor Ray White Glen Waverley. We had a perfect day weather wise and we were able to sign 16 new members on the day. A lot of planning went into the event by committee, Karen Butler and her team. We thank all involved for a very successful day.

Late December we appointed Lee and Lucy Pearson as the new coaches of the club. The committee of four members received and read through 17 applications and conducted final interviews with 5. It was a long and exhausting process and we warmly welcomed "Leap Tennis" to WHTC.

Earlier this month Winnie and the members of her Midweek ladies team conducted a Dumpling demonstration and tasting at the club. Thanks to the ladies for enlightening us all with their skills, time and generosity in providing all the ingredients for the demonstration. The dumplings didn't last long once cooked and presented to the tables. Thank you to Helen Felder for preparing and supplying dishes to compliment the afternoon. Everyone had an enjoyable time.

We are very excited about the launch of the clubs' new website. It will keep everybody up to date with all aspects of the tennis club. Thanks to Hans Schroer and his brother for the many hours they have invested into this project.

## Continued

The club has had another very successful year as indicated in the comprehensive report submitted by our Treasurer Hans Schroer.

Night tennis has continued to grow and will expand even more now we have lights on an extra two courts. I would like to thank the Conveners for their work during the year running the evenings. Hans (Monday night), Gerald/Len (Tuesday nights), Hans/Shri (Wednesday nights) and Jackie (Thursday nights). Thanks also to Jackie/Leo for their efforts in closing up on Wednesday evenings.

Due to the hard work of Ron Thorpe we earned more than \$400 through the sale of Entertainment Books. The new 2019 books are now available in hard copy or digital; please contact Ron or myself for copies.

Thank you to all the members of the committee for their tireless work throughout the year. Without their commitment and energy this club would not be in the position it is today. I would also like to acknowledge the many members who volunteer throughout the year including supporting Brian Hovey with the juniors on Saturday and Sundays.

Please support our many valuable sponsors listed in the AGM report.

Gerald More  
President 2018/2019.

# Treasurer's Report from the AGM

From a financial perspective 2018 was again a very good year for the Wheelers Hill Tennis Club; the profit of **\$34,457** was the highest of the last 12 years, and probably one of the highest ever. It should be said though that the profit does include an unexpected grant of **\$10,358**, received from the Australian Government, Department of Infrastructure, Regional Development and Cities, for the conversion of existing court lighting on four courts to LED.

- As a result, overall **revenue was higher** as last year- from \$50,498 in 2017 to **\$58,742** in 2018. Without the grant the revenue would have been 4% lower.
  - Like last year, **costs decreased again by 13%** - from \$31,306 in 2017 to **\$27,219** in 2018.
  - **Annual profit increased 60%** compared to last year - from \$21,548 in 2017 to **\$34,457** in 2018. Without the grant the increase would have been 12%.
- The **cash position** of the club remains solid. On 31<sup>st</sup> December 2018, the bank balance (including term deposits) was **\$168,538**. Last year the cash position was around **\$134,768**.

### Annual Profit.

The profit of **\$34,457** for 2018 is a result of the following main events:

- **\$7,455** increase in donations and sponsorship. This is entirely due to the grant.
- **\$3,033** decrease in costs for maintenance of clubhouse, premises and courts. It should be said that a delayed invoice for garden maintenance (of around \$800) is still to be expected
- **\$1,528** decrease in insurance and website costs
- **\$1,240** increase in Night Tennis revenue; since inception in 2008 revenue has been rising consistently except for 2013 when a fee decrease was introduced.
- **\$734** increase in membership fees; but some of the members are benefitting from a prolonged membership until end of 2019 and hence a decrease in 2019 is likely.

### Outlook for 2019 and longer term.

In 2018, the club was successful in getting two projects approved by Monash Council: Lights installation for courts 1 and 2 (project costs **\$55,800** excl. GST, WHTC to pay **\$11,160**) and have current lights on court 3 to 6 replaced into LED lighting (project costs **\$42,500** excl. GST, WHTC to pay **\$31,250**). The total costs for WHTC of **\$42,410** (excl. GST) are further offset by the State Government grant of **\$10,358** which effectively means out-of-pockets costs of **\$32,052** (excl. GST). This is a great result!

By May 2019 the club would have term deposits of around \$120,000 and it is expected that by 2022 latest all courts need to be replaced at an expense of around \$160,000, which means that around \$15,000 per year needs to be added, although the club hopes that grants can be obtained by that time. Another big project coming up in the next three years that require a lot of capital, will be the replacement of the fencing. Although the club still has reserves, the dwindling membership numbers (20% less revenue from membership so far in 2019) will require a small increase in membership fees as from 2020 (although early bird fees will allow current members to pay the same fees as 2019). As this is the first increase since 2013, the WHTC Committee believes this is justified. Operationally the club has a healthy financial status.

I would like to extend my appreciation to other members of the Committee, particularly Gerald More and Brian and Andrea Hovey and also Brett Wilson, for auditing the annual results.

**Hans Schröer, Treasurer WHTC**

# JUNIORS REPORT.

T

hree of our Summer season teams reach the Grand Finals.

## Presidents Cup:

Tawananyasha and Nyenyasha Manzvera.

The boys finished on top of the ladder but were defeated by Pakenham Tennis Club. They were tied in the last rubber and lost the super tie break 10 games to 5. A great effort by the boys – the opposition were much older and stronger.

## A Reserve 1 Open:

Patrick Hajduk and Tim Furlong. Of our three teams, this team won their Grand Final against St Paul Apostles after 4 hours of closely fought tennis. The boys won their super tie break 12 games to 10. Considering the boys had lost convincingly to this team throughout the season, this was a very exciting and gratifying win for Patrick and Tim.

## D Special 2:

Steven Lianos, Max Schröer and Isabel Lee:

The team played Mountain Gate TC in their Grand Final, a team who went through the Summer season undefeated. After 6 sets of tennis our team were defeated 4 sets to 2. I am very proud of this team, not only are they our youngest team but are the youngest team in their section and have managed to reach the finals over the last three seasons, with a Grand Final win last Winter season.

Overall, we had a very successful Summer season for 2018/19

## Juniors Report cont...

For the Winter 2019 season, we have five Saturday teams and one Sunday team.

**Saturday:**

**A Reserve 3 Boys (Black):**  
Tim Furlong and Son Dang

**A Reserve 3 Boys (Green):**  
Sam Watkinson-Garlic and Bart Sathanphong

**B Special 1 Boys:**  
Cooper Pearson, Nickolas Lianos and Owen Lee

**C Special 2 Boys:**  
James Dixon, Aditya Prasad, Alexandar Karlic, Christian Vormwald and Andrew Kakouri

**C 2:**  
Steven Lianos, Max Schröer and Isabel Lee

**Sunday:**  
**D3:**  
Gemma Pearson, Shin Lim and Ian Goh

All teams have been given a competitive grade and I look forward to some exciting tennis from the kids!

I welcome our new players:

Son Dang – Son has come across to us from Keysborough TC

Cooper and Gemma Pearson – our coach's son and daughter – both played for Knox Gardens last season.

Christian Vormwald: Christian has come across to WHTC from Heritage TC

Alexandar Karlic: Alexandar is returning to WHTC after a break from tennis.

Owen Lee: - also returning to Saturday comp from a break

Shin Lim and Ian Goh are both graduates from our coaching squads. This will be the boys first season of competitive tennis.

# JUNIORS REPORT. Continued.....

The Manzvera boys have been lost to Junior tennis and are now playing Senior Pennant for WHTC

Patrick Hajduk has moved from WHTC to play for Gladeswood TC.

Sienna Opray, our current girls club champion has moved to WesleyCollege/Kooyong TC. Sienna's tennis career has moved on, she was selected to be in a team to travel to Spain during the school holidays to participate in a three week coaching program at Rafael Nadal's Tennis Academy. See photo below.

As reported in our last Newsletter, our Junior Club Championships were held on the 9<sup>th</sup> December. Presentation of trophies were made to the winners and runners up at our end of summer season luncheon.

I would like to thank Effie Lianos and Monika Kakouri for their assistance preparing the luncheon.

# NIGHT TENNIS REPORTS.

## Monday Night

The Night Tennis on Monday has embraced the use of 6 courts since March. With 36 players playing triples (2 doubles sets, 1 singles set) on the night, we are having a fantastic competition.

With 6 teams of 13 players, there is room for players of every level. After 13 rounds of Night Tennis the GREENS (189 points) are leading the pack, before the ORANGES, BLUES, REDS, PURPLES and BLACKS (109 points).

After another two rounds, we will have the finals in June.

Overall more than 80 players have already played in this year's competition, and besides the teams, we also have individual ladders and prizes for the best singles player, and best singles/doubles player.

If you have an interest in playing on Mondays, please contact Hans Schroer at [hans.schroer@bigpond.com](mailto:hans.schroer@bigpond.com).

## Tuesday Night

With 14 rounds now completed the scores are very close with RE STRUNG captained by Chris Spain sitting on top for the first time this season.

The season consists of 18 rounds plus finals. The season concludes on the 18<sup>th</sup> June including 3 weeks of finals and the July – December season starts on the 16<sup>th</sup> July 2019. Any member or friend wanting to join the next season please contact me on 0488 626 973 or [gerald.more@bigpond.com](mailto:gerald.more@bigpond.com).

All players are very happy with the new LED lighting across all courts. The current ladder is:

RE STRUNG 59 points. ( Captain Chris Spain).  
THE BREEZE 56 points. ( Captain Lachlan Davidson).  
GRAND SLAMS 48 points. ( Captain Len Derkacz)  
WHEELS 45 points. ( Captain Kate Sanford).

It will be a very close finals series.

Gerald More.  
Tuesday Night Convenor.

## Wednesday Night

Wednesday Night Tennis is for singles players.

We have around 24 players registered for the competition varying from beginners to accomplished players.

There are currently 3 groups of around 8 players playing a Round Robin, with quarter finals, semi-finals and finals to be played in July.

We are looking for a coordinator who can run this competition as from July onwards. If you have an interest in joining the competition or the coordinator role, please contact Hans Schröer at [hans.schroer@bigpond.com](mailto:hans.schroer@bigpond.com).

## Thursday Night

Join in with THURSDAY NIGHT DOUBLES – whether you have a partner or not (we will find one for you!!)

Each year we have two seasons (20 weeks each season) of Thursday night doubles. Pairs play each Thursday at either 7 pm or 8:30 pm – slotted into ability levels (A, B or C) and play best of three sets.

During 2019, we have had ~15 pairs participate. Pairs change – as people come and go – but nearly everybody gets to play each week when they are available.

The Next Season starts in July – but you can join in at any time.

It's \$4 for members or \$8 for non-members - to cover ball and light fees.

We are always welcoming of new players! If you are interested in playing Thursday night tennis contact: [jackie.wilce@monash.edu](mailto:jackie.wilce@monash.edu)

So, Thursday night is going well (with a few away over the Easter break - we still have a social night for 8 pairs). Finals will be in June

# VETERAN MENS TENNIS REPORT.

**T**he Mid-Week Men's group entered a team in A Reserve for the Autumn 2019 season which commenced at the end of January. Unfortunately, after 10 matches, the Frogs have only managed to win 2 games and with only 2 matches remaining it looks like the Frogs will be the recipients of the Wooden Spoon.

For the first time, the Waverley Mid-Week Men's comp allowed either 4, 5 or 6 players to play on the day & due to our numbers (*we have 14 Frogs playing but with heavy travel commitments we could only field 1 team*), we have played 6 players each week. In this way, as many players as possible get to play during the season with each player playing 2 sets on the day. When we play at home, 2 players are rostered to organise Lunch so if nothing else, the WHTC Frogs certainly put on the best lunch of all the teams.

In a couple of weeks, the Frogs will start focusing on the Spring Season which starts mid-July with the finals in late November. The Frogs need a boost both in numbers & standard, so if any players would like to join our group, please get in touch with me or join us at our social hit Monday mornings.

## Social

The Monday morning social is still going strong & we have anywhere between 10 to 16 players turning up for a hit on a regular basis. School & Public Holidays are no exception as we have a core group of players who play each week. Earlier in the year when it was still quite warm, on several occasions we adjourned to Chef Saw's place after tennis for a BBQ lunch

George Kunti

# SENIORS REPORT.

**T**he Summer Season 2018/19 concluded in March 2019. Unfortunately our four teams did not reach the finals. All finished in fifth position on the ladder.

We have 3 teams entered in the Winter season 2019.

**Open singles/doubles A2:**  
Mario Gerace, Ben Pahor, Andrew Spiegl, Luke Briffa

**Mixed Rubbers A Reserve 1:**  
Stephen Nicholson, Wayne Taylor, Helen van Styn, Debby Lemon, Ann Douglas

**Mens Rubbers B 1:**  
Jag Keshavamurthy, Jared Keleher, Gerald More, Richard Spinosa, Damien Vance.

Competition started on the 27<sup>th</sup> April 2019. After three rounds all teams are competitive.

We also have a Tennis Victoria Senior Pennant team playing in Grade 5.

This competition is in the Waverley District Tennis Association and will conclude in September 2019. The Summer 2019/2020 season will commence in October 2019.

Richard Spinosa-Cattela

# MIDWEEK LADIES REPORT.

**O**ur Thursday Midweek Ladies WDTA Season 1 2019 has only one more round to play before the finals commence.

## Section 4:

The team of Tara Burrell (captain), Tania Heath, Jo Lewis, Janice Macrae, Claire Chen and Lucy Li have finished out of the four this season.

## Section 6:

The team of Lorna Bridgland (captain), Hee Sook Choi, Alison Copley, Helen Felder and Margaret Isaac are fourth at the moment and hope to win at the least one set next week to secure their place in the four and take part in the finals.

## Section 7:

The team of Barbara Dickens, Ibby Matkocsik, Misuzu Otaka, and Nola Williams (captain) are fifth on the ladder and have a bye in the last round so will miss out on the finals.

Our Season 2 2019 will commence in July 2019. Entries close on Friday 11<sup>th</sup> June 2019.

It appears that our Section 7 team may not be able to form a team. If anyone is interested in playing midweek tennis on Thursday, please contact me [helen@felder.com.au](mailto:helen@felder.com.au).

We will be very sorry to not have a team for these ladies and wish them well in the future.

# Dumpling Demonstration

## Sunday, 3<sup>rd</sup> March 2019 at 4.30pm

We had a very socially successful function on 3<sup>rd</sup> March 2019. Thank you to Winnie, Claire, Jan, Lucy L, Lucy T, Carol & Helen for enthusiastically showing us how to make the dumplings. They organised the fillings, pastry, cooking utensils and everything else required. About thirty attended and we had a very enjoyable and appetite satisfying time.

### How to make Dumplings:

1Kg plain flour

590ml water

Mix together until a dumpling dough is formed and let rest for 30 minutes. Place the dough on a flat surface.

Cut the dough into about 20 or more equal pieces.

Turn each piece of dough into a disc shape.

Use a rolling pin to smooth each disc until around 7cm thick. Note: add flour so the pastry doesn't stick.

Add your filling into pastry.

Connect both sides of the pastry, add a dab of water onto your fingers to help the pastry stick.

Steam or fry dumplings for about 20 minutes.

### Pork & Capsicum Filling:

Pork mince (1kg), capsicum green & red - 2 large, Chinese mushroom, soy sauce & sesame oil - 1 tablespoon, Black pepper powder (1/4 teaspoon), spring onion.

### Beef & Carrot Filling:

Beef Mince (1Kg), spring onion (3), ginger (finely chopped), carrots (2), fresh coriander, black bean sauce.

### Pork & Chinese Celery Filling:

Pork mince (1Kg), 1 bunch of Chinese celery, finely chopped, soy sauce, oyster sauce, sesame oil (1 tablespoon each), sichung pepper (ground), ginger.

### Vegetable Filling:

Black Chinese mushroom (6 or 7), carrots (2 or 3), eggs (5 precooked), sesame oil, salt & pepper.

# Open Night Sunday 3<sup>rd</sup> May 2019

On Friday 3<sup>rd</sup> May the WHTC held an OPEN NIGHT to celebrate the opening of the lights on courts 1 and 2. The evening was attended by approximately 60 members (potential new members) and friends.

The club sponsors donated prizes for the raffle and a special membership was offered to new members that joined "on the night".

We were very honoured to have the Mayor of Monash Cr Shane McCluskey cut the ribbon and speak on behalf of the council. We appreciate the Mayor giving us his time to attend and stay for most of the evening.

## History of the Lights:

The Wheelers Hill Tennis Club lost a VCAT hearing back in 2008 to enable us to install lights on courts 1 and 2. We received only permission for lighting on the other 4 courts.

Around 2 ½ years ago we spoke to Mark Collins (Court Technology Victoria) and enquired if there had been any major improvements in the lighting systems that may allow us to have lights on these two courts.

Mark suggested we contact Ausnet Services who control the power lines to see if their attitude had changed. After many meetings, many visits to the club and lots of negotiations between Mark and Ausnet we were able to achieve what you see here tonight.

this was the best outcome that could be provided given the tight technical restraints imposed by Ausnet Services. Hence the reason for the non-standard pole heights.

Committee, members and night tennis players are all very pleased with the final result, thank you again Mark Collins for your persistence, That was the first step completed.

The second step was financing the project. We were delighted that Monash Council offered to fund 80% of the cost (\$44,600) which left the club to fund the balance 20% (\$11,160).

Monash Council also tipped in an extra \$10,000 towards the conversion to led lighting on courts 3,4,5,6. Total cost for this work was \$44,000.

We thank monash council for their wonderful and very generous support.

What's On At Wheelers

## LEEP tennis

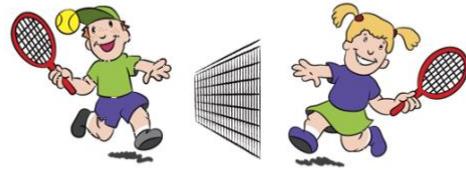

Term 2 lessons are well on the way and now, we are in the wetter months. Fingers crossed the rain comes early in the mornings. That being said, we have 2 spare weeks at the end of the term, that we will use as make up classes if it rains. We wait to approximately 3.15pm to make a call if we need to cancel. You know Melbourne, it can be raining one minute and beautifully sunny the next. So, we will contact you via group text message if it is cancelled, so, if you don't hear from us, its ON. Please make sure all your contact details are up to date.

We would like to congratulate a few of our coaching students who have recently joined WDTA Sunday morning competition. Shin, Ian and Gemma. They have played three matches of the current season and have had lots of fun and success. Good luck to these players for the remainder of the winter season.

If you have any questions regarding junior competition, please ask Lee, Lucy or Brian Hovey.
